

Gary's legacy to Post 48 and its baseball team and NH American Legion Baseball is truly exemplary. Gary was a Post 48 Past Commander as well as the Post finance officer until his passing. Gary started the baseball team in 1984 and led Post 48 to its only state title. Gary started as a NH baseball committee member and was then appointed as its Chairman, a position he held for 20 years. When he retired from Chairman in August of 2014, I was honored that he recommended me to replace him as Chairman. He stayed on as a special advisor on the baseball committee until his passing.

One of Gary's last wishes before his passing was that in lieu of flowers, donations be made to the Hudson Post 48 baseball team. Because of the generosity of donations, it will be in Gary's honor that all players who play for Post 48 in 2020 will not be charged a fee to participate. I am quite sure Gary would approve of this proper gesture.
